The meeting was chaired by Harrison Goodhue, Chairman-Treasurer of the local chapter, and with the assistance of Duane Johnson, Manager of the Michigan Division - American Red Cross, of Detroit, presented pins and certificates to the following blood donors: Warren Hatfield, 73 pints; Chuck Fick, 53 pints; Clarence Burse, 50 pints; George Bielski, Jr., 49 pints; Terry Wakeley, 43 pints; Mrs. Ruth Marlatt, 40 pints and Raymond Pease, 40 pints.

"During the past six decades, the Crawford County Chapter has witnessed two world wars and actively served those families whose lives were permanently altered by the events of armed conflict."

"Natural disasters have also affected residents of Crawford County and without exception the Red Cross has responded with immediate assistance so vital to recovery. In addition, the Chapter has become involved in many meaningful programs for the benefit of all the people it serves."

"You have attained a proud record. The Michigan Division joins me in saluting the achievements of the Crawford County Chapter and expresses confidence that its services will continue to be of the highest quality."

Crime Lab

(Continued from page 1)

Interested deputies, along with Lowrie, approached Senator Robert Davis and Representative Ralph Ostling and demonstrated and convinced them of the area need. Their efforts netted a \$50,000 State Grant, effective in late '76 to continue the lab for one year.

Another 1-year grant continued the effort for another year, the one under which the service is now functioning. Convinced though, early this year, that the consistently-increasing case load justified a continuing fight for a permanent local facility, the board and local law enforcement agencies again approached Ostling and Davis to continue its quest for a local, permanent site.

Last Wednesday, a 7-year dream became a reality when the Governor signed the State Police Appropriation Bill into Law, paving the way for establishment of a permanent, full-range Forensics Lab here in Crawford County.

Although the exact content and nature of service the first lab facility will provide is still unclear, Lowrie expects that the first move will be one that leads to a 2-3 year "phase-in" of a full-scale Crime Lab here in Grayling, servicing much of Northern Michigan.

Lowrie predicted the Lab would hire, at the outset, some 10 employees, pumping \$235,000 annually into Crawford County's economy. State Police officials will soon be seeking out a suitable construction site for the structure, expected to be 4-5,000 sq. ft. in size, with occupancy possibly being achieved in late 1978.

The State report leading to approval of the financial grant, pointed out that of the over 2000 Northern Michigan drug analyses or investigations asked for here in Crawford County in 1977, almost 600 were handled locally.

A seven-year long dream is on the verge of reality, officials stated.

GRAYLING, MICHIGAN — THURSDAY, AUGUST 8, 1978

From Our Corner....

As usual, we have let our corner go to the eleventh hour before even trying to come up with something that may be of interest to our readers ... and now as we await the eleventh hour for the politicians in tomorrow's shake-down to see who will carry their party's colors in the November shootout ... we are trying to think of something that we could be nasty about ... and it's been to no avail, so we will try to resume our normal likeable self and bring you some idle thoughts and one man's opinions ...

By this time Tuesday night everyone will have had their say at the election polls, and all the politicking will be over with for a couple months ... if you didn't make it to the polls ... blame only yourself if things didn't prove to your liking.

The more we think about it and having traversed a couple roads since last week's issue ... we're going to return to our nasty side for just a second ... speaking of traffic signals ... other than the one we mentioned last week at Old 27 and I-75 Business Loop South ... Grayling has two other major traffic problems, the one at Down River Road and Old 27 intersection and the other at the North Down River Road and Michigan Avenue intersection ... both should at least sanction a red and amber traffic signal ...

In our opinion we probably will have seen how the election goes Tuesday ... then possibly put in our requisition before the November run off ... candidates seem to agree with requests at this time of the year.

A couple of idle thoughts ... There are two big things going for those interested this weekend ... the annual Frederic Homecoming and the 3rd annual Rodeo at Mio.

Our problem is going to be attending both and also be in Traverse City for Toni's birthday on Saturday ... but, for all you other fun-lovers, you can't do wrong by attending one or both ... they are both for a good cause ... Frederic's is the promotion of the finest little town in the north, and Mio's is to help defray expenses from their battle with the DNR over the burying of the PBB-tainted livestock, which they lost by the decision of the Michigan Supreme Court.

Sunday afternoon we visited our favorite 10th hole at the course, only after an edict handed down by the big boss that we were to attend a little get-together with some other 80 people for a game of scrambles (we should be used to scrambles, because that is all we do on Wednesday afternoon, when it doesn't rain), anyhow, this we joined with our neighbors Carl Hector and Gloria Nielsen, as partners. We did right well, didn't win any prizes, but, we chipped one right into the hole on No. 2 and we were really elated, it was the first shot they had used of mine ... after five holes, we started on six ...

We planned on extolling on our finesse until we got settled in our favorite spot and learned two or three others had done the same thing ... and then along came Ruth Neilson, who just happened by chance to Eagle No. 7, all by her lonesome, she drove off and sank her fairway shot ... that finished our day, and to think Mel could buy her an eagle if she really wanted one.

An idle thought ... seemed nice to hear the train whistle Monday night as it passed through town ... has been a long time since it was regular ... the trains were needed when our country was in its infancy ... and are still needed today.

Right at the present we do not know how we are going to fill this weekend ... we probably will spend some time with T. J. and Stef and help them celebrate their mom's birthday. If we are not at Frederic or at Mio, you'll will know where we are.

have a nice weekend... STOP and say HELLO

The Bible Speaks

From Calvary Baptist Church

King Jesus Descending

Revelation 19:14-16

"And the armies which were in heaven followed him upon white horses, clothed in fine linen, white and clean. And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. And he hath on his vesture and on his thigh a name written, King of Kings, and Lord of Lords."

Enoch prophesied the above scene thousands of years ago in the early history of man. "And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints. To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him." Jude 14, 15.

Jesus Christ shall personally bring all judgment and do all the fighting by His spoken Word. The saints dressed in white linen will be there to observe. The fact that Christ will smite and rule the nations of the earth with "a rod of iron" is found in Psalm 2:9 and Revelation 2:27. In Isaiah 11:4 it is called "the rod of his mouth." Within our context in Rev. 19:15 the word "thromphas" usually indicates a long sword and sometimes even a javelin. All of the above language is symbolic and emphasizes the deadly destruction and absolute control Jesus Christ will display against all rebellion against Him and His rule upon earth.

The millions of unsaved multitudes upon the earth who will have just gone through 7 years of the most severe tribulation in history, will suddenly see the God they had been cursing and blaspheming. He shall trample upon them in the fierceness and

wrath of Almighty God. They shall try to repent and seek forgiveness, but the time for repentance and forgiveness will be past. Their lifetime of contempt and disregard for the love, grace and mercy of God will intensify His fierceness and wrath.

The unsaved world mocked Jesus Christ as a King during His trial and crucifixion. Even His cross carried the mocking inscription on all four sides. The world will again see Jesus some day. Across His blood dipped clothing will be a name "King of Kings, and Lord of Lords." He will openly declare to be above all kings on earth and all lords in the universe. Then every knee shall bow and every tongue shall confess that Jesus Christ is Lord, but He will be the Lord of their judgment; and not the Lord of their salvation (early).

MOUNT HOPE LUTHERAN CHURCH concluded its Annual Vacation Bible School with the Balloon Launch last Friday. Pastor Paul Weber termed this year's endeavor "most successful" with 130 local youngsters participating. The Church is making plans now to launch a building campaign, but in the action shown here, no contributors were being solicited — it was just youthful fun! (Joe Schrader Photo)

Advertise in the Avalanche

Political heat-wave?

Calling the election—

Griffin, Levin and ?

Richard Milliman

And the beat goes on...the political beat, leading to Michigan's somewhat confusing primary election on August 8.

No clear picture seems to be emerging so far in the two most significant statewide races—for governor and U.S. Senator.

Gov. William Milliken will win the Republican nomination again, of course he is unopposed. And most likely, Sen. Robert P. Griffin will again win the Republican nod; his challenger, Oakland Prosecutor L. Brooks Patterson, just is not making a significant dent in Griffin's strength.

But on the Democratic side, you toss your coins and call them anyway you want.

About the only public impact being made in either Democratic primary race seems to be among the candidates themselves, and among the political pros. As for the people, there is not much outward concern.

Maybe it's the summer doldrums, and summer's a bad time to get the voter excited about much.

Some of the candidates' statements don't encourage political excitement either.

For example...

Candidate William Ralls tried to get Candidate William Fitzgerald in some hot water by claiming contribution irregularities. The Secretary of State found no basis for Ralls' complaint. Fitzgerald said he wasn't surprised. He said he viewed Ralls' action as "politically motivated" rather than as "reflecting a genuine concern for the integrity of the new political reform law."

The surprise was that Fitzgerald cried "political motivation" with a straight face: of course the motivation was political...what else would it be? Let's hope Fitzgerald's grasp of state problems is a bit crisper than it seems to be of political ways.

Then there's Candidate John Otterbacher, who wants to be U. S. Senator. Recently, when it was noted that most polls indicate Otterbacher is not making much of a wave among the voters, the candidate said (again with a straight face):

"We won't show in the polls. We don't

have to show. The real poll occurs Aug. 8."

That line is as old as polls themselves; it was first uttered by the 5-year-old who came in second way back when little George Gallup polled his kindergarten class on who would be elected class president. Of course, it's just as true now as it was then.

It's something like the lament from the losing poker players who shout in unison: "Shut up and deal!"

So let's get fearless: We have already forecast the winners in the Republican primaries for the big ones in Michigan—Milliken for Governor and Griffin for Senator.

Now let's try the toughies—the Democrats. Remember, now, this is a forecast of how things may turn out, and not an endorsement or proclamation of support.

For Governor—In a lackluster contest, which this one has been, the smart money has to go with the professionals. Of the four candidates—Zolton Ferency, William Fitzgerald, Patrick McCollough and William Ralls—one candidate has racked up most of the organized, usual party-line support from labor groups, ethnic groups, party wheel-horses and the like. Therefore, Sen. Fitzgerald most likely will win the nomination.

For Senator—This is tough to forecast, especially since we have to refer to a list to even get all the names in mind. With so many horses in the running, anything can happen. We're inclined to believe the polls, which indicate Carl Levin has more name recognition, and therefore more latent public support, than any of the others. Using the criteria cited earlier—lining up a mass of political pros—you'd have to side with Richard Vander Veen. And if you went by the amount of money spent, the choice would likely be Phil Power. The others—Anthony Derezinski, Paul Rosenbaum, John Otterbacher—may each carry his home precinct, but not much else. From this vantage point, it looks like Levin.

Now, how about November? Check back later.

Ways of Conserving Energy

Most of us have already made several adjustments around the house to conserve energy. If the thermostat has been lowered to 66 degrees F. in winter, and the air conditioner in the summer is adjusted to 78 degrees, saving has become a way of life.

Now we can expand our savings. How do you know when you are really saving energy, and when you are using too much? No "expert" can tell you exactly how much energy you can or should use, but you might be able to tell yourself. There are three guidelines to help:

1. Stay as close to the source of things as possible. If you use things as close to the way nature makes or uses them, you are probably saving energy.
2. Buy and use products which are long-lasting and efficient. When buying objects, look for simply-constructed and solidly built items that will last a long time. Avoid fancy extras and fad items.
3. Look at the whole energy

Jon Voight Plays Vietnam Vet In "Coming Home"

Jon Voight has become known as one of the top actors of the 1970's through his performances in such films as "Midnight Cowboy," "Catch 22," "Deliverance" and "Conrack." "Coming Home" marks his first film appearance since "The Odessa File" which was produced in 1974.

Although he first came to public attention with UA's "Midnight Cowboy" in 1969, Voight had begun acting studies several years before at New York's Neighborhood Playhouse under Sanford Meisner, one of the most respected dramatic coaches in the nation.

He earned critical acclaim for his performance Off-Broadway in Arthur Miller's "A View From the Bridge," and received a Theatre World Award in "That Summer, That Fall" opposite Irene Pappas.

Voight was chosen to play the memorable Joe Buck in "Midnight Cowboy" by director John Schlesinger & "Coming Home" producer Jerome Hellman. For his performance in that film he won an Academy Award nomination and the New York Film Critics Award as Best Actor.

Although often under grueling production schedules, Voight has been politically active throughout his career. He was a frequent speaker at anti-Vietnam rallies and often joined his "Coming Home" co-star Jane Fonda at meetings.

"Coming Home" which stars Jane Fonda and Bruce Dern with Voight, will open August 16th at the Rialto Theatre. The United Artists release was produced by Jerome Hellman, directed by Hal Ashby and written by Waldo Salt and Robert C. Jones from Nancy Dowd's story. (adv.)

Library Story Hour Ends

The Crawford County Story Hour ended Thursday, July 27th with a party featuring homemade cookies, brownies and lemonade. Each child received a balloon favor bearing the motto "Books are something special!"

One hundred and fifty 4 to 8 year olds attended the four sessions. They were entertained each week with different filmstrips, stories and with special guests.

Trisha Duley and her guitar gave the children a chance to participate in a sing-along. "Old McDonald" and the appropriate noises was heard throughout the building.

A skilful story teller, Mae Niederer, did three "tell and draw" stories on the chalk board. "Two little Indians," "Eke and Zeke" and "Henry's story" delighted the children.

Steven Allen and his pretty assistant Kathy provided a magic show that proved enjoyable to both adult and child. Steve held his audience spell-bound with his guillotine act.

The children were also given the opportunity to charge library books out in their names. For many it was a new and exciting experience.

The story hour was very gratifying for the staff at the library, and they are looking forward to another one next summer.

Unusual Tree Photo Contest

Photo contest rules and entry forms for the Michigan Forest Association's unusual tree photography competition are available at the Crawford-Roscommon Soil Conservation District, 409 Lake St., Box 156; phone 275-5231; according to Barb Stauffer, district Office Manager.

MFA is awarding a total of two hundred dollars in prizes in this tree photo contest, said Stauffer. Soil Conservation Districts throughout the state are cooperating by providing official rules and entry forms.

Prizes will be awarded on the basis of the quality of the photograph as well as the unusual and interesting aspect of the tree. First prize is one hundred dollars; second prize fifty dollars; third prize twenty-five dollars; fourth prize ten dollars; as well as honorable mention certificates.

Phone or drop by the Crawford-Roscommon Soil Conservation District office and pick up a copy of the contest rules and entry form. Deadline for entry is Sept. 15, 1978.

The aim of the contest is to find outstanding photographs of unusual and interesting Michigan trees. Entries (either color or black & white prints) will be judged on 1) quality of photograph; 2) unusual and interesting aspect of the tree, especially visual impact and 3) neatness and completeness of entry.

Attend the Church of Your Choice

Todd hunted with Robin Hood, and Kristen read CINDERELLA while barrels of rain pelted our windows. Mary prepared our chicken dinner in a deep-fryer which frequently became inaudible as thunder rolled and crashed outside. Light flickered brightly on my newspaper, and the radio crackled as electrical discharges split the sky.

Then, somewhere, a tongue of lightning found its mark. The radio became mute, and my newspaper vanished in darkness. The Merry Men and "Gus-Gus" foundered in the dark, and our supper cooled, half-cooked.

Downed lines! A real problem—whether they are the lines that connect the power station and home, or the lines between God and man.

Through the Church and the Bible, our prayer and worship make God's love for us a two-way line. Come to church this Sunday. Let God say, "Power restored!"

Association Against AuSable as Part of "Wild - Scenic Rivers Act"

A special meeting was held Saturday, July 29, 1978 by the Board of Directors for Warblers Hideaway Association, which is located in Lovells Township.

Discussed was the proposed incorporation of the AuSable River System, into the "Wild and Scenic Rivers Act." The effects that this act would have on Warblers and Crawford County was presented by a concerned property owner.

The board which represents over 800 resident and non-resident property owners, unanimously voted its opposition to the proposal, as it is now understood.

A committee was formed to further investigate this proposed act and inform each of the association members of all developments.

Warblers directors have written to State Representative Ostling, and are preparing other letters to U. S. Congressmen.

Bride To Be

and Senators, explaining their position on this issue.

Mr. I. Lipinski, Chairman of the newly formed committee, is requesting the help and support of all Crawford County residents and property owners. At the meeting it was explained that this proposal will seriously affect everyone, through much higher property taxes. Mr. Lipinski requests that all Crawford County property owners write to their congressmen to make their feelings known.

Bits O' Talk

By Fay Bovee

Guests of Mrs. Johanna Gorman last Tuesday were Dr. Georgia Mills of San Diego, California, and Hilda Nettleton of Charlevoix. Johanna had worked with both women when Dr. Mills was with the District #1 Health Department and Ms. Nettleton was a nurse in Cadillac.

Claude and Cathy (nee Stripe) Lester of Isfahan, Iran, are the parents of another boy, Arthur Geraint, born on July 22, 1978, at Truro, Cornwall, England. Mr. and Mrs. Joseph Stripe are the happy grandparents.

Gayle Packard of Florida is visiting her parents, Mr. and Mrs. Bill Packard on Chestnut St.

Duke Knight, son of Mrs. Georgia Knight of Petoskey, has been visiting friends in Grayling.

Mr. and Mrs. Robert Bovee attended the Oppy-Sokolowski wedding in Southfield on Saturday. Miller Oppy is the son of Dr. and Mrs. Charles Oppy of Roscommon. The Bovees stayed overnight with his sister and husband, Mr. and Mrs. William Zimmerman, Jr. in Livonia. The Zimmermans came to Grayling for a three-day visit, camping with their grandson, Billy Stewart, at Jellystone Park.

Mr. and Mrs. Richard Smith of Saugerties, N.Y., arrived Sunday to visit her parents, the Robert Bovees for a week.

On Friday, Dena Bovee of Marquette and Bill Reed of Jackson are expected to arrive at the Bovees for several days. They will also visit his sister, Peg Reed, at Interlochen and attend a concert there.

Another addition to the downtown business area is an attractive mural done on the side of Flowers by Josie, which can be seen from the I-75 business loop. Even the back of the stores are taking on a different appearance as evidenced by the mini-park at the back of Dad's Sporting Goods, complete with a lawn and planter box of petunias. More homes are getting new siding, new roofing, and paint. The Bob Winslows on Chestnut St. has been completed, and the Harcourt home on the same street is being done. The Kenneth Jackson home has a new white fence around their home. A most attractive corner in Grayling is the Clark station at Lake and I-75 with its well-kept mini-lawn and petunias.

Mr. Wesley William Ardall Smith and 3 sons, of Lansing, have been here several times visiting his mother and adopted dad, Mr. and Mrs. David B. Smith Sr., of 319 Lowndale Drive.

PFC Roger D. Kent is home on leave. He is stationed with a postal unit in Offenbach, Germany, and while here he will be staying with his sister and brother-in-law, the Davises on Richardson Road.

KEITH REYNOLDS of Grayling is shown about to take off on his first ride on the MOPED he won in a drawing sponsored by Terry's Suzuki of M-72 West. Keith receives the keys here from Bob Terry. Other lucky winners of T-shirts, drawing held July 31st at the Grayling State Bank, included Susan Smith, Marion Shirkey and Terry Burns of Grayling, and Mary LaForge of Roscommon.

Par For The Course

By Fay Bovee

In golf play on Wednesday morning, August 2, 1978, Corine Smith again copped low gross in Flight A with a 45. Ann DuBois took low net of 36 and Kathryn Stewart put in 15 putts. In Flight B, a thrilled Jeannette Kitchen had a low gross of 48 as well as a low net of 34. Maude Gothro chipped one in on number three which helped her win low putts of 14. In Flight C, Clara Beaufort grossed 59 and Mickey Perez, who has been steadily cutting off the strokes, took low net of 36 and low putts of 16.

Flight A served the always delicious potluck for their noon luncheon. Pearl Tucker conducted a short business meeting following lunch.

The Monday night ladies enjoyed a steak dinner after their golf on Monday, August 7th. In golf play Deanna Bartelli and Dottie Brady tied for low gross with a 50 each. Evelyn Gardner put in only 14 putts and Liz Vajda and Louise Hatfield both chipped one in. Marge Roper took high score on holes 2, 6, and 8 with a 37 and Gloria Nielson took low on holes 3, 5, and 9 with a 14.

Corwin Cousin Reunion

The 10th annual reunion of the Corwin Cousins was held Saturday, August 5th at the Corwin farm on Four Mile Road East. There were 36 in attendance. There were also some newcomers, while some of the regulars could not make it.

The same officers were re-elected for another year. We were all happy to see Clarence and Laura Hoesli back this year. We also missed Ken and Ruth Hoesli again this year. We are hoping that they will make it next year. All had a good time and enjoyed talking over old times. Helen Granger Lamm, from Zephyrhills, Florida came to Grayling especially to attend the reunion.

We will be looking forward to next year and hope all can be present again.

To the Editor:

Now that our "Milltown Festival" is over for 1978, I would like to take this opportunity to commend the Lions Club and Knights of Columbus for a job well done with their "beer tent" project. This must have been one of the most successful projects of the whole festival, with the key being organization and a lot of hard work. A lot can be learned from this by other such clubs, and anyone that happened to have spent an evening there I am sure will agree.

I would like to see this made an annual affair because it can only get bigger and better each year, handled the same efficient way. Who knows, maybe we can compete with our neighbors to the north event!

Sincerely
Chet Johnston

SMILE OF SUCCESS—Rick Townsend holds the Barbershop Society's Poledog Trophy signifying victory for his AuSable Valley Chorus after judging at the Mini-Chorus Contest. The competition was a feature attraction of Grayling's Milltown Festival and was held July 31 at the Grayling High School auditorium. Other competing choruses came from Boyne City and Alpena.

campaign officials.

"It's a spark that we expect will light a community fuse which will ultimately lead to the final attainment of our \$500,000 goal," Mrs. Kraus concluded.

Chairperson Kraus, along with Steering Committee Chairman Ronald Fraser, moving toward formation of a full-range Fund Drive Committee, and in conjunction with the advance-gift announcement, also made known the following committee appointment.

Percy Lehman, of Roscommon, will head up that county's drive. Roscommon is one of two counties served in total by Mercy Hospital. Mr. Lehman is Past Presi-

dent and Chairman of the Board of Directors of the Roscommon State Bank. As Co-Chairman, he will assist Mrs. Kraus in Roscommon's Drive.

The Mercy Hospital Auxiliary has long been active in volunteer work at the hospital. Now, at 124 members strong, the Auxiliary provides the following volunteer services at the hospital.

-Receptionist services in the lobby on a daily basis.

-Delivers incoming mail to the patients.

-Makes available a gift cart to hospital patients regularly each week.

Will be instrumental in setting up and conducting medical clinics for patients and interested citizens on a regular basis.

That's just a part of the volunteer work performed by the Auxiliary. Over the years, they have provided the hospital with thousands of dollars through their fund-raising activities. They plan even more activities in order to fulfill their commitment to the hospital's expansion program. According to President Lesinski, the group's Annual Tag Sale will be held in downtown Grayling, and may even extend to Roscommon and other surrounding areas, this coming September 2nd. This will be the second in what's hoped to be an annual event. The First Annual Charity Ball is set for September 30th, with the likelihood it will be held at the Camp Grayling Officer's Club. The Auxiliary's Annual Silver Tea and Bazaar are planned for October 13th in the hospital's north wing.

Membership in the Auxiliary is welcome. Interested community citizens should contact Margaret Lesinski at the hospital, or any other Auxiliary member. The group meets once each month.

At any rate, the group's commitment to the hospital's expansion move is a noteworthy public endeavor. It represents 1/10th of the community's desired commitment. Nothing else needs be said.

Golf Party
Enjoyed

by Fay Bovee

The Grayling Country Club was the scene of another of the popular Sunday afternoon golf parties on August 6th. Mexican Scrambles, was attended by another record crowd of 64 people. The weatherman has cooperated beautifully in spite of Whitey's rain prayers, and it was another beautiful day.

Scrambles were won by the foursomes of Tedsons and Paterals, and the Grottoes and Schwabers, with a 52 each. Ruth Nielsen, future, a spectacular eagle on number seven all by herself. The foursome of Benkamp and Tuckers, won low putt with a remarkable 9. The team of Klumpers and McLaughlins were high scorers. Other door prizes of ball, placemats and watermelons were awarded and for her special effort Ruth received a watermelon and golf socks.

Following golf, the committee of Ken and Mabel Gothro, Bob and Jane Schwartz, Tom and Ann LaMotte and Carl H. and Gloria Nielson served a delicious Mexican meal of burritos, taco salad, cornbread and watermelon. Well done committee!

Watch for the September party, and sign up early!

Road Commission Minutes

July 21, 1978

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. LeRoy Millikin presiding. Present were: LeRoy Millikin, Ervin Richter, Grover Cason, Engineer Ron Herne, and Secretary Lorna Bernard. Absent: none.

The minutes of the last meeting were read and approved by the board.

Warrants No. 557 for Payroll in the amount of \$19,977.34 and warrants no. 558 to 596 for Materials, in the amount of \$14,341.28, were signed and approved by the board for payment.

A letter was received from Mr. and Mrs. F. D. Butler, thanking the Road Commission for the good job well done by the employees of the commission, not only in the summer months, but in the winter as well.

Edward Rollins, M-18, appeared before the board in regard to a permit needed on his property. The board informed him that they could not put it in for him, but suggested that he contact a private contractor to have one installed.

Jack Dunlop appeared before the board asking permission to store wood for the CETA program on the commission's property. The commission suggested to him that this would not be practical because we are closed on weekends and evenings, and would therefore, not be available when the people wanted to get their wood.

It is important to the international community that the American people know the American Republic is not a threat to the peace of the world. It is a threat only by the actions of its leaders, and it is not the fault of the American people that these leaders have been so bad. But, with the aid of the American people, we can change our leaders and our government.

The American people, therefore, must be educated and must be organized and must be united. If we do not do this, we will be a threat to the peace of the world.
